	Private (45mins)	420	1995 (399 per lesson)	3780 (378 per lesson)

Prices

All prices are in AED.

Child prices are for children aged Sixteen and under.

Registration Fee

There is a 420 dirhams registration fee- this covers all members of the same family, it is a one off payment to register as a member of Desert Palm Riding School.

Assessment Lesson

Each new client will undertake a 30 minute assessment lesson before being assigned a regular slot. This allows us to assess what level you are at on our rider levels, find an instructor suited to your needs and where best to put you should you wish to join a group or semi-private lesson.

Lesson Times

A group lesson will be for one hour if there are three or more people in the group. If there are only two people it will run for 45 minutes and only one person it will be for 30 minutes.

A semi-private lesson will be 45 minutes even if there is only one person attending.

Late Arrivals

If you are taking a private lesson and running late you will only be able to ride for the remaining time of your allocated slot.

If you are riding in a group lesson and are more than 15 minutes late you will not be able to join the lesson but you will still be charged full price. Allowing a rider to join a group lesson any later than this will cause disruption to the other riders, will hold the lesson back and does not allow enough time for a sufficient warm up for both horse and rider.

Slot Allocation

Once you have been given a regular lesson slot this will be yours unless there is notice given from either yourself or the riding school. If a rider is cancelling on a regular basis then the riding school reserves the right to re-allocate your slot and find an alternative that better suits yourself.

Lesson Payment

All lessons must be paid in advance.

There are no refunds on lesson packages. A five lesson package is valid for a period of six weeks and a ten lesson package is valid for a period of twelve weeks. However, you may 'freeze' your package for one month for the cost of 55 dhs if you have other commitments.

If at the end of your package you do not renew the package or pay for a private lesson for the next week your slot will be given away.

Family Membership Discount

Desert Palm offers a ten percent discount for each lesson type if three or more members of the same family are taking lessons.

Cancellation Policy

Lessons must be cancelled at least 24 hours in advance. Notice may be given by txt, email or telephone on 050 451 7773, 04 323 8010 or ridingschool@desertpalmllc.com

Where notice is late or not received, the full lesson price will be charged ***without exceptions, whatever the reason.***
